Think Big 2016
TERMS and CONDITIONS

Eligibility

1) Think big 2016 is open to enrolled Murdoch University students only
2) Teams of 2 or 3 students can compete
3) Students who are also engaged in paid work for Murdoch University are eligible to compete
   
   Each team must include at least ONE member that is not engaged in paid work for Murdoch University

4) Active enrolment status will be checked prior to event commencement and during competitor check-in on the 18th August (please have your student ID card ready)

Registration

5) Registration and participation is FREE
6) Registration opens 13th July 2016 at 0900 and closes 17th August 2016 at 1930
7) Register online at https://thinkbig2016.eventbrite.com.au
8) Competitors must meet the eligibility criteria to register and any registrants who do not meet the criteria will be unable to participate in the event

Judging

9) The judging panels’ decision is final
10) The judging panel will reach a consensus decision
11) The judging panel will consist of at least one Murdoch University Employee and at least one Commbank (Event Partner) Employee. It may contain other sponsor representatives or persons as nominated by the event organizers

Prizes

12) First Prize: Innovation Lab Experience in the Commbank Innovation in Sydney Australia. The prize includes Flights, Accommodation and AUD $1000 for the winning team. You will be Commbank’s guests as they host you for a real world innovation experience like no other

   Commbank will liaise with the winning team to schedule the experience during the 4th quarter of 2016

13) Second Prize: AUD $750
14) Third Prize: AUD $500

Prizes are awarded to a team and by default the prize money will be evenly distributed amongst team members. If the team unanimously agrees to an alternate distribution of monies this will need to be arranged with the event organizer

Prizes are awarded to a team and by default the prize money will be evenly distributed amongst team members. If the team unanimously agrees to an alternate distribution of monies this will need to be arranged with the event organizer

Prize money will be transferred to recipients via EFT, in the event of EFT not being an option for a student, alternative arrangements will need to be made with the event organizers
Fair Competition

15) Think Big 2016 is a student focused competitive team event being held in the spirit of discovery, innovation and fair competition. If any teams or team members are determined by event organizers to be acting inappropriately to gain advantage over other competitors they have the authority to disqualify participants.

16) Team solutions and proposals must be the product of collaborative creativity during the event duration and any intellectual property produced by the team during the event remains the property of that teams’ competitors.

17) Event supplied Mentors will be available at times throughout the event for teams to seek guidance around the solution design process but these Mentors are not permitted to assist students with the design or development of a specific solution or idea or provide assessment of a teams proposed solutions.

18) Teams will develop and pitch a solution or idea that compliments one of THREE available themes. These themes will not be disclosed to participants until the commencement of the event, at which point teams can decide which theme(s) that their solution or idea will compliment.

19) Respect other teams’ privacy.

Arbitration / Disputes

20) The event organizers will arbitrate on matters arising during the event and will resolve disputes between competitors.

21) This arbitration and dispute resolution is final. If a competitor believes that the process of dispute resolution was not fair and equitable then they can seek advice from the Murdoch University Legal and Governance Team.

Event Organizers

22) The event organizers are:

- **Murdoch University**
  - Andrew Bell (Manager IT Client Services, Library and Information Services)

- **Commbank**
  - Anna Kauffman (Associate Director Transaction Banking Solutions, Institutional Banking and Markets)
